

ETC International College

Learning Support Questionnaire

November 2024

If you require this form in a different format, please contact: admissions@etc-inter.net

Congratulations on being accepted onto your course. Everyone at ETC International College is looking forward to welcoming you.

ETC International College recognises its responsibilities under the Equality Act 2010 to make reasonable adjustments for disabled persons.

If you have a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities, we would be grateful if you could provide us with details to help us make arrangements for you.

If you do not have such a physical or mental impairment, you do not need to complete this form. If we do not receive a response from you, we will assume you do not have any physical or mental impairments or learning support needs.

To enable us to make reasonable adjustments for you in connection with your course and your time with us at ETC International College, please complete this form as soon as possible prior to commencing your course and send it to the admissions@etc-inter.net

The information provided in this form will be treated with the utmost respect and confidentiality. Only the teaching and other staff involved in your course will be made aware of any relevant information for the purposes of meeting your needs.

In the event that, despite making reasonable adjustments to try to accommodate you on your course, you cannot undertake your course at ETC International College, we will do our utmost to help you find an alternative provider that is able to accommodate your additional needs.

Please see our [Equality and Diversity Policy](#) and [Data Protection and Privacy Policy](#).

Please fill in and return this form to tell us about yourself and any additional needs you have to help us work with you to devise a Learning Support Plan.
